

Who are Geeks Who Drink?

Geeks Who Drink are two geeks who drink and host pub quizzes throughout Colorado.

What *is* a Pub Quiz?

A pub quiz is like it says: A quiz game played in a pub. It's an Irish tradition, however, our goal is the same: to foster friendly competition, and promote social drinking in a relaxed environment.

How does it work?

The quiz consists of eight rounds of eight questions and is played in teams of up to six people. Questions are read aloud by the Quizmaster and teams write down the answers, turning them in to the quizmaster at the end of each round.

Quiz For a Cause

A quick explanation on how a pub quiz actually raises funds. It's simple: Quiz participants pay an entry fee that is determined in advance by the nonprofit; It can be anywhere from \$5 to \$25 and up. One entry fee per team goes into a cash purse for the winners; the rest goes to the cause at hand.
