The number of missions we have: To save pets

Our numbers say it all. We are the first and only non-profit organization in Northern Colorado to reduce pet overpopulation and provide a no-kill shelter for cats in need. Cats that are surrendered, abandoned, or homeless are rescued until they find their forever homes, no matter how long that takes. We cannot achieve our goals without a tremendous amount of support from individuals and businesses in this community. At the same time, we help the community by providing the following services:

- *Low-cost spays/neuters for dogs & cats
- *Affordable vaccines and microchipping

- *Cat therapy for seniors in nursing homes
- *Free cat food for those in need

Our shelter and clinic are making a difference. Please join us in our mission.
